the thoroughly updated guide to reducing tax liability for the trader and serious investor what would you do to increase your trading profits by as much as 50 most traders and investors would do whatever it takes those same traders will much to often what the profits earned with their blood sweat and tears shrink considerable as they prepare their tax returns you have in your hands the easy to use tools that will protect your hard earned assets packed with proven strategies that reduce your tax exposure this comprehensive guide is completely updated with information and strategies for the most recent tax changes here are invaluable business estate retirement planning and tax saving strategies that virtually anyone can implement within the new tax laws it is simple to use and includes specific information to help traders reduce their tax liability with individual case studies real world examples and model tax returns cpa and expert tax consultant ted tesser provides current solutions for the tax problems facing most u s traders investors and income earners today excessive tax payments to federal and local governments insufficient preparation for retirement and ultimately the fate of bequests in this book tesser shows everyone concerned how to disinherit the federal government how trader status is upheld even under audit how to augment underfunded retirement plans how to master the basics of estate tax planning how to integrate the triple crown tesser s latest strategy for tax avoidance and wealth accumulation into your trading plan and much more keep the profits you work so hard to earn whether from trading investing or hard work and take control of your financial destiny the new trader s tax solution has puts years of experience at your fingertips with the triple crown you will learn how to unleash the full power of trader status by combining it with a trading entity you will also learn how to establish a welfare benefit trust to accomplish all these goals and more this program enables you to take advantage of little known facets of the tax law that have been on the books for almost

three quarters of a century you'll learn how to contribute and deduct substantial amounts of money over any period of time grow the principle in a fully tax deferred 100 secure environment access the money at a future date not limited by age income or retirement plan status avoid the restrictions of ordinary retirement plans by using the same techniques that have been used by America's largest corporations since 1928 whether you are looking for last minute tax saving tips or trading techniques that position you for the optimal tax reduction the new trader's tax solution is a must have addition to any trading library get the government to pick up the tab on this year's trading profits foot the bill for any trading losses and increase your wealth by 50 instantly after putting trader status on the map tesser now takes it to another dimension complete with real world case studies illustrations templates and filled out ready to be filed tax forms

the definitive book on the fairtax and its potential to save the U.S. economy in the century since it was created the federal income tax system has grown into a monster that threatens the well being of average citizens and business owners as well as the very foundations of our economy and our democracy but there's a better alternative the fairtax its supporters argue that the federal government should stop taxing what goes into the economy earnings savings and investments and start taxing what comes out consumption the result would be the same amount of revenue but more growth much less political corruption and a far healthier relationship between Americans and their government ken Hoagland of the fairtax institute is an expert on this grassroots movement and his book offers the clearest explanation of this revolutionary idea he details the history of income tax collection in this country and current lobbying practices that have bloated the tax code to 67 500 pages of irrational regulations anyone who has ever shuddered as April 15 approaches or who simply cares about making the country better will be fascinated by Hoagland's research and conclusions
